 (2) The above Results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 11th September, 2020.
 (3) **Auditors' Qualification** - Due to defaults in payments of Bank Loans, the Company's Accounts have been classified as Non Performing Asset (NPA) by the Banks. Most of the Banks have not charged interest on the Company's borrowings / loans. During the period under review, no provision has been made for such interest in the books of accounts of the Company and to that extent bank's loan liability and total loss is understated by Rs. 2.35 Cr.
Managements' Reply : As per the RBI Guidelines in case, if the account is NPA banks should reverse the interest already charged and not collected by debiting Profit and Loss account, and stop further application of interest. However, banks may continue to record such accrued interest in a Memorandum of account in their books. For the purpose of computing Gross Advances, interest recorded in the Memorandum of account should not be taken into account. As the Banks are not taking into account the interest recorded in Memorandum, the Company has not booked expenses of interest in the Books of the Company.
